

# How to Receive Your Wix Template

IMPORTANT INFORMATION ABOUT PURCHASING & TRANSFERRING YOUR WIX TEMPLATE

01

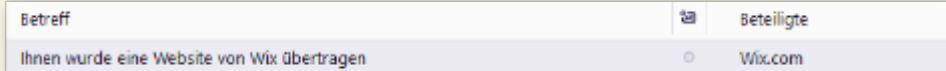

## Purchase Your Template on Etsy

When purchasing the template on Etsy, you'll be asked to provide the email address connected to your Wix account. This email address is required because the template can only be transferred to your Wix account through it.

02

## Receive an Email from Wix

Within 24 hours after your purchase, you'll receive an email from Wix informing you that a website has been transferred to you.

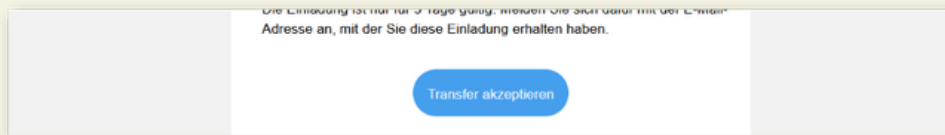

03

## Accept the Transfer

Inside the email, simply click the confirmation button to accept the transfer. Wix will then automatically transfer the website to your account.

Important: You have 3 days to accept the transfer. After that, the access link expires and the transfer process needs to be restarted.

04

## Start Editing Your Website

Within just a few minutes, the website will appear in your Wix account and you can start customizing it right away.
